## PREFERRED CUSTOMER PROGRAM WITH AUTOSHIP

### WHAT IS A NIKKEN SPONSOR, AND WHAT IF I DON'T HAVE ONE?

A sponsor is an Independent Wellness Consultant (IWC) who has introduced you to Nikken, its products, and the Preferred Customer Program. Your sponsor may provide answers to any questions you may have regarding Nikken and its products. If you do not know who your sponsor is, or do not have one, the Company will assign you a sponsor.

### WHAT IS AUTOSHIP?

Autoship is a monthly standing order of Nikken Nutritional and Consumable Products, specifically nutritional and other consumable items. After the initial shipment has been sent out, the monthly shipping date will be determined, and subsequent shipments will be sent on the same calendar day each month. The schedule for shipments is Monday through Friday (excluding holidays) during normal business hours. Shipment dates that fall on a Saturday, Sunday, or holiday will be processed on the previous business day.

#### Program Advantages

As a Preferred Customer Autoship participant, you will receive a 20% savings on all product orders. The discount is not available on Paks or promotional items unless specified. This savings is only possible through your consistent participation in the Nikken Autoship Program. Please note that consumable products only are available on Autoship, but your 20% discount applies to all orders.

## PREFERRED CUSTOMER TERMS AND CONDITIONS

There is no obligation to purchase any products or pay any dues to remain in the Preferred Customer Program. You receive a 10% discount off of the Retail Price just by signing up. By participating in this program, Nikken may send participants various information and correspondences via standard or electronic mail. The participant may choose to cancel his/her participation in this program at any time by submitting a written request to the address or fax shown on the front side of this form.

When you sign up for Autoship, you receive a 20% saving on all purchases. You must remain on Autoship in order to continue to receive the 20% saving. Changes to Autoship orders must be made at least three business days prior to your next scheduled shipping date. All purchases and Autoship changes can be made online at [www.e-nikken.com](http://www.e-nikken.com).

Preferred Customers are retail customers and are not authorized to resell Nikken products. If a Preferred Customer wishes to resell Nikken products and participate in the Nikken Compensation Plan, he/she must first become a Nikken Independent Wellness Consultant by filling out an application.

Existing Wellness Consultants may become a Preferred Customer by resigning his/her distributorship in writing and requesting that his/her status be changed to Preferred Customer. Once the distributorship has been terminated, the Wellness Consultant's downline will rollup to the upline sponsor. A Wellness Consultant who has resigned is eligible to reapply for a new distributorship 12 months after resignation, but will not retain prior rights to bonuses, rank or position in any former line of decent or recover previous downline.

All Nikken products and literature are subject to price changes. Any price changes will be posted online at [www.e-nikken.com](http://www.e-nikken.com).

### EXCHANGE AND RETURN POLICY

#### A. 30-Day Money-Back Guarantee on Nutritional and Skin Care

Nikken guarantees the quality of any nutritional and skin care product that carries the Nikken name. If a Preferred Customer is not satisfied, he/she may return the unused portion of the product to Nikken within 30 days of purchase, with freight and insurance prepaid. An RMA (Return Merchandise Authorization) number must be obtained from Nikken and written on the outside of the returning package. Refund will be made in the original form of payment.

#### B. Exchange

- Nikken will replace products that are defective in workmanship or damaged in shipping for the same products originally purchased. An RMA must be requested from Nikken and written on the returning package. Please review the product warranty information online at [www.e-nikken.com](http://www.e-nikken.com).
- A Preferred Customer may only exchange products that are in resalable condition and currently stocked and sold by Nikken. The exchange must occur within 30 days of the original purchase date, with freight and insurance prepaid. An RMA must be requested from Nikken and written on the returning package. A 10% handling/restocking fee will be charged. Please allow 10 business days from that date the product is received for processing time. Nikken will not exchange individual items from a multi-item kit or Pak.

#### C. Return

- Unused products may be returned for a refund within 30 days from the original purchase date, with freight and insurance prepaid. An RMA must be requested from Nikken and written on the returning package. Products returned without an RMA will be returned to the Preferred Customer at his/her expense.
- Nikken will inspect all returns pursuant to this section. If the returning product is in resalable condition and all other requirements have been met, Nikken will issue a reimbursement in the original form of payment, less 10% for handling/restocking.
- Products not eligible for return (deemed used or not defective) will be returned to the Preferred Customer at his/her expense.
- Nikken reserves the right to reject same item and repetitive returns.

#### D. Limited Warranty

- General Product Limited Warranty:** Nikken offers a limited warranty on all of its products to its Preferred Customer. Nikken guarantees these products to be free from defects in workmanship and each product carries its own limited warranty. Please refer to the above section regarding the return and exchange of a defective product. Misuse and tampering of any products will render the limited warranty void and Nikken will not be liable for any resulting damages or injuries. Warranty information can be found online at [www.e-nikken.com](http://www.e-nikken.com).
- Clothing Exchange Policy:** All Nikken clothing items are designed around Nikken's standard industry sizing chart. If the fit is not what the Preferred Customer expected or is defective, the item will be exchanged by Nikken.
